

Pasa Pret Camp proves that Carnival is fun for all ages!

An event that is eagerly anticipated by both the children that attend the Pasa Pret Camp and their parents is owner Betty van der Biezen's annual Carnival Party. It proves that one is never too young to enjoy the Carnival experience, as the children dress up in beautiful costumes and enjoy acting out being Prince and Pancho, or Carnival Queens. Even little two year olds are moving their hips to the beat of Carnival music.

This year, adorable Ryxiane, the pride of her parents, Kimsee and Ryan, was the diminutive Pasa Pret Carnival Queen. A beautiful cake with Ryxiane's image was the centerpiece of the snacks table at the party. Gorgeous Zenny Donata, chosen Miss International during the Miss Aruba Universe competitions last year, who represented Aruba in the Miss International Competitions in China, joined the group to officially crown Ryxiane as Carnival Queen, lending a very official air to the entire event.

Carnaval parties such as the Pasa Pret event last Friday is a delight for the children and grown-ups, a celebration of this joyous time of music and dance, and many of the children showed they had the spirit to be a real Prince or Pancho or Carnival Queen someday!
